

Dear Customer,

During the holiday season, Provexa will complete the installation of Line Earth 2 and Barrel line to modern world-class surface treatment. In Earth 2 we run Provexa Pluto® and Provexa Earth Black® and in Barrel line we run Zinc and Provexa Earth®. Therefore, we close production as follows:

- Friday the 1st of November 2019 the production is closed. Goods reception (logistics) is open and receives and delivers goods in the usual way.
- Friday the 6th of December 2019 the production is closed. Goods reception (logistics) is open and receives and delivers goods in the usual way.
- Monday, the December 23rd – January the 6th 2020, production and goods reception (logistics) are closed for both incoming and outgoing goods.

If you have goods that you want to have surface treated before we close, we ask you to deliver to us well in advance. On Tuesday, January the 7th 2020, our production and logistics is up and running again!
