

Holiday closure 2021

We run our production as usual until 16th of July 2021. On 17th of July to 8th of August we are closed for vacation and maintenance. During the closed period there will be staff on site on Tuesdays 20th and 27th of July and 3rd of August to receive goods and deliver finished goods. On August 9th, we are going full steam ahead again!

If you have goods that you want to have surface treated before we close for holidays, we ask you to deliver to us in as much time as possible before closing. If you have any questions, please contact:

- Business area Protection & Paint: matias.skon@provexa.com
- Business area Galvano: anders.ysing@provexa.com
- Business area ZinkFlake: fredrik.revelle@provexa.com
- Business Area Technology: anders.skalsky@provexa.com

Provexa continues to cherish our three watchwords:

- ✓ **Quality** – the right function for end customers!
- ✓ **Delivery** – timely delivery with short lead times!
- ✓ **Communication** – always informing, no surprises!

Please visit our website, www.provexa.com. Finally, we ask to thank you for your good cooperation and hope that the Corona crisis has not hit you too hard.

Gamlestaden, Gothenburg 14/4 2021

Sincerely
Anders Hultmark
CEO
